**Subject:** VB I-70/OU2 Removal Action AR - Public Notice

Hi Jennifer,

Could you start drafting the public notice for the OU2 removal action AR? Richard says we need to have out to the public 60 days after we've mobilized to the site (July 8). I'm putting one more document in the AR and then the Records Center will send you up a disc that will contain the final AR. Could you send to Lisa, City/County of Denver? I believe we decided to have one

information repository at their office and of course here in our Records Center (since we are in such close proximity to the VB I-70 site). Tell me if you have any questions/need anything else.

Thanks!
